

Cubbies Schedule 2019-2020

Your child should come ready with the lesson listed for each date— example, on September 25 all Cubbies should say the verse in BH #2.

If your child is sick and misses club, he or she should still maintain the schedule.

Cubbies may make up verses they have missed when they return, and they may say up to three sections per night. We will not adjust the schedule for club missed due to weather. Instead, that week will be said along with the verses for the week following.

(If we don't stick to the schedule, it is impossible for your children to complete their books for their awards!!)
